

**COME IN FROM THE DARK**  
**Ron Lynch Chalice 3-17-88**

You've taken for so long  
that you've forgotten how to give  
You've existed for so many years  
that you don't know how to live  
Your mind is full of questions  
that you have no answers for  
Well, here's an invitation  
If you'll open up the door

**CHORUS:**

Come in from the dark, come in from the dark  
Come in from the dark, and open your heart

Your heart is touched with darkness  
You're hiding from the light  
The things in life you're reaching for  
Seem always out of sight  
You've lost all your direction  
there's confusion in your mind  
Well, heed this invitation  
while you still have time

**BRIDGE:**

Day is night and black is white  
You always seem to be losing sight  
Of who you are and where you've been  
You always seem to get trapped again  
Here's your chance to break free

Life is filled with openings,  
and new places to begin  
If you can find the courage  
to take the first step in  
And when you find the doorway  
the choice will still be yours  
What will you accept from life  
less? Or something more.
