

Not with My Daughter
Ron Lynch Chalice 5-23-93

You say that I'm an old man, out of touch,
lost in another generation
that I will never, never understand
the things that make you tick
But I know all too well what's going on
in the empty space between your ears
you little prick

I see you lookin' with that animal eye
wantin' what you know she won't give
But your gonna try to push her anyway
to turn her no to a big fat yes
I've seen where you are, I've been who you are
I've had that urge between my legs
been in that mess

CHORUS:

Not with my daughter you don't
I'll tear out your heart and rais it on a pole
Not with my daughter you don't
I'll cut off your manhood and bury it
in a deep dark hole.

I'm gonna catch you late at night
Might just wring your neck.
If you see me get out of sight
or you're not playin' with a full deck.

You think that I don't know what's going on
that I'm dumb, even somewhat naive
You think I have no right to tell you
to work your charms in another place
Well I'm gonna show you a way to turn
your ass into a parka hood
for your face.
