

**TOO OLD TO CRY**  
**Ron Lynch Chalice (May 1982, Revised 25 Apr 1986)**

Could have cried for you baby  
when you walked out on me  
You could have tried harder, baby  
to reason with me

CHORUS:  
I'm too old to cry  
Yes, I'm too old to cry  
But I'm too young to die  
For You

You try to come back, baby,  
with your heart in your hand  
If I take you back now,  
Can I still be a man

CHORUS

(Interlude)  
You're playin' (playin')  
You're playing a game  
Designed to drive me insane

I'm sayin' (sayin')  
Sayin' no way  
I can't have you in my life again

It's too late, baby  
to try and mend all of the pain  
So just slide away, baby  
I don't want to see you again

CHORUS
